

Dear Friends,

We are so glad that you are seeking information on homeschooling! Whether you currently homeschool or are just considering it, we invite you to take look at C.H.O.S.E.N.

In 2006, C.H.O.S.E.N. was born out of area homeschooling families' desire to gather for mutual support and encouragement. As a ministry of Good News Bible Church, we have ongoing meeting times for parents and children, offering opportunities to connect, learn, and fellowship.

Classes and clubs for different ages are in their beginning stages. As each family contributes their talents, our tapestry continues to change.

As our membership grows, we will continue to seek to meet the needs of area homeschooling families through both prayer and practical means.

If it is your desire to connect with other Christian homeschooling families, we would welcome you to join us at any one of our scheduled activities. (Though a quick call to a Coordinator might be wise — just to confirm openings and such.)

See you there!

A Parent Meeting is a time for instruction and/or discussion led by a guest speaker or group member with a particular skill or interest.
